## <Features of GGA's Japanese Lessons>

### Supportive Learning with ICT !

Tablet devices and dedicated apps are used in classes, presentations, tests, and even for self-study at home. You can study Japanese anytime and anywhere — while also improving your IT literacy!

### Experience Real Growth through Activities !

Through various activities using Japanese, you'll experience what you can do grow step by step. Use what you've learned in groups, in class, and outside the classroom to boost your Japanese communication skills!

### Connect with the Local Community !

By participating in local festivals and welcoming community members to school events, you will build deeper connections with the people around you and grow a sense of being part of the local society in Japan.

## 2 | Academic Japanese Course Information

## <Course Overview>

### ○ Comprehensive Japanese

Students will improve their listening, reading, and interactive communication skills using an integrated Japanese textbook.

### ○ Expression

Through writing and presentations, students will develop their composition and presentation skills.

### ○ Characters (Kanji)

Focuses on reading and writing approximately 1,200 basic kanji necessary for studying at universities and vocational schools in Japan.

### ○ Exam Preparation

Provides preparation for the Japanese Language Proficiency Test (JLPT) and the Japanese language section of the Examination for Japanese University Admission for International Students (EJU), both of which are essential for higher education in Japan.

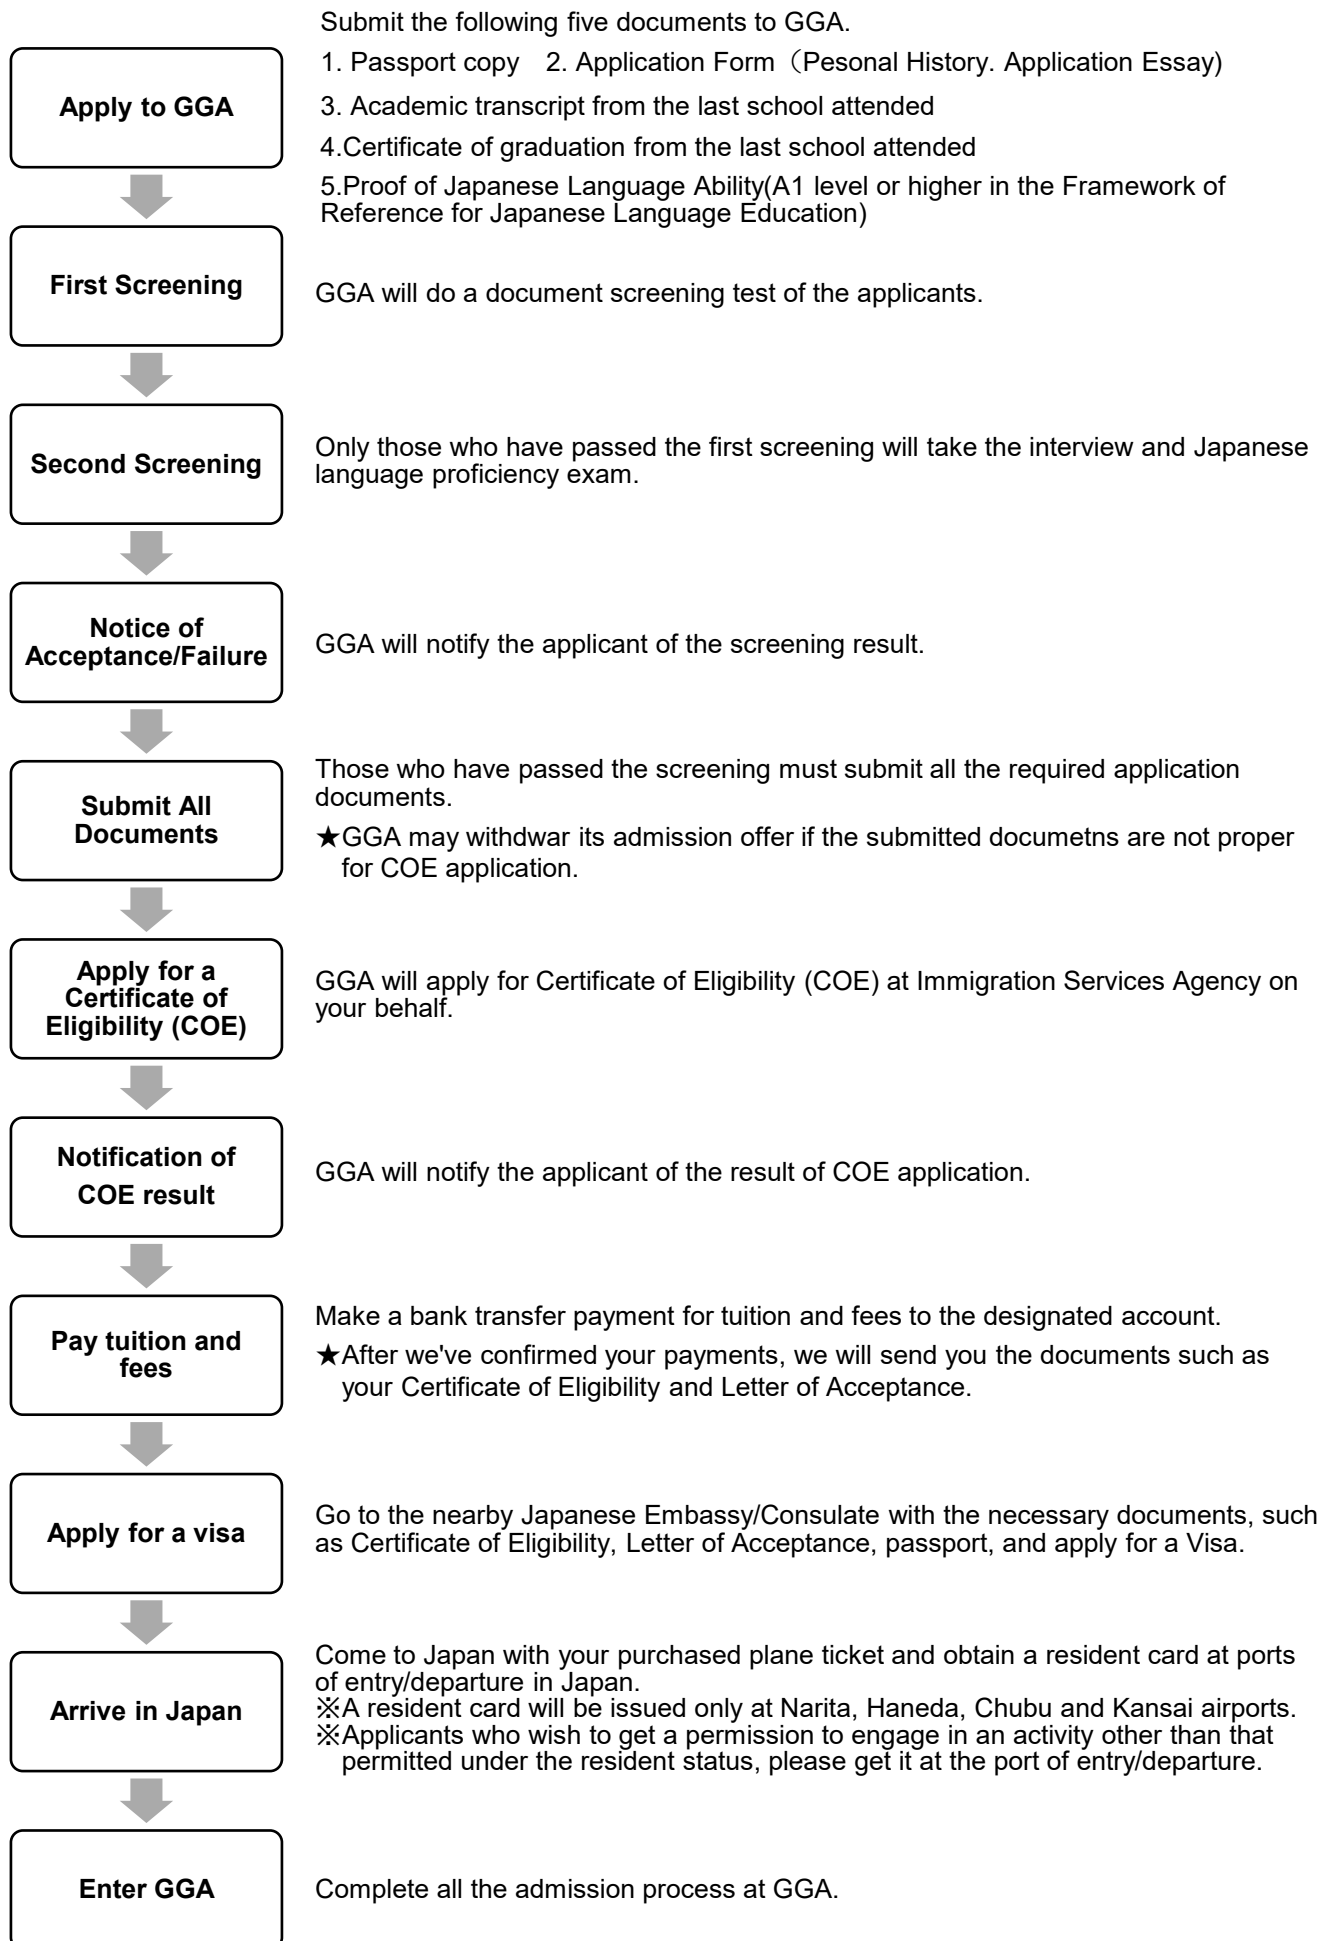

### ○ Career Planning

Students will learn about the Japanese education system, prepare for entrance interviews, and consider their future career paths.

### ○ Special Activities

Students will actively participate in events such as speech contests and “G-Fest” (a student presentation event), where they can showcase the results of their learning.

### 3 | Steps to Admission

## Application Period / Screening

### <Qualification for Application>

- (1) Age over 18 at the time of enrollment
- (2) Completed 12 years of general school education in foreign countries other than Japan, or expected to complete it by the time of enrollment. Alternatively, applicants who have completed a foreign school recognized by the Minister of Education, Culture, Sports, Science and Technology as equivalent to a Japanese senior high school are also eligible.
- (3) Japanese Language Proficiency:
  - For the 2-year academic preparation course: Applicants must have studied Japanese for a minimum of 150 hours and have acquired a Japanese language skill level equivalent to A1 level or higher on the “Reference Framework for Japanese Language Education” , or be able to submit proof of passing a Japanese language exam at A1 level or higher.
  - For the 1 year and 6 months academic preparation course: Applicants must be able to submit proof of passing a Japanese language exam equivalent to A2 level or higher on the “Reference Framework for Japanese Language Education”.
- (4) Have a reliable financial sponsor who has sufficient financial ability to cover the applicant’ s tuition and living expenses in Japan, and who can provide documents such as bankbooks to prove the asset formation process.
- (5) Passed the entrance examination conducted by the school.
- (6) Able to communicate in English.

### <Application Fee>

44,000 JPY (tax included)

### <Application Period>

Enrollment Period	Application Period	1 <sup>st</sup> Year Payment Due
April 2026 2-year Academic Japanese Course	First Recruitment : From June 13 <sup>th</sup> 2025 to June 19 <sup>th</sup> 2025 Second Recruitment : From July 8 <sup>th</sup> 2025 to July 10 <sup>th</sup> 2025 Third Recruitment : From July 28 <sup>th</sup> 2025 to July 31 <sup>st</sup> 2025	February 28 <sup>th</sup> 2026
October 2026 1-year and 6-month Academic Japanese Course	First Recruitment : From Feb 2 <sup>nd</sup> 2025 to Feb 6 <sup>th</sup> 2025 (planned) Second Recruitment : From Feb 16 <sup>th</sup> 2025 to Feb 20 <sup>th</sup> 2024 (planned)	August 29 <sup>th</sup> 2026 (planned)

※The application period and initial payment deadline for the October 2026 intake will be announced separately once confirmed.

## <Screening>

Applicants will be screened based on the following three procedures:

### **(1) Screening of Application Documents :**

We will check all the submitted documents (such as a copy of passport or other ID, application form, certificate of graduation, academic transcript, and certificate of Japanese language proficiency) to confirm the applicant's eligibility and ability to study at the school.

### **(2) Japanese Language Test & Interview :**

Applicants will be tested on their Japanese language ability (equivalent to A1 level for the 2-year Academic Japanese Course / A2 level for the 1-year and 6-month Academic Japanese Course), including reading, kanji, and oral reading. Communication skills in Japanese and/or English will also be evaluated during the interview. The interview may be conducted online (via Zoom or Skype) if an in-person interview is not possible.

### **(3) Others :**

If necessary, applicants may be asked to submit an essay in their native language. In the case of an in-person interview, the financial supporter may also be interviewed.

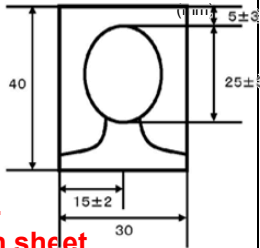

## 5 | Application for Certificate of Eligibility (COE)

In order to enroll at our school, international students must obtain a new "Student" visa status.

The application for the Certificate of Eligibility (COE) for a "Student" visa will be submitted by our school in accordance with the regulations of the Immigration Services Agency of Japan (Ministry of Justice).

※Please note that the final screening and issuance of the COE will be conducted by the Immigration Services Agency of Japan.

※ All local and overseas remittance charges borne by the students.

※ If there is any excess or deficiency to the total transferred amount because of the remittance charges, we will charge that shortage amount or payback the excess amount at the time of school orientation.

# 8 | Other Notes

## (1) Part-time Job in Japan

Foreign students with the status of residence of "Student" are allowed to reside in Japan for the purpose of studying at school. You have to get permission from Immigration Services Agency of Japan in order to engage in an activity (part-time job) other than studying prior to starting such activity.

Also, you have to keep the following rules if you do any part-time job:

① Students should ensure that the part-time job does not interfere with your studies and keep good academic scores and school attendance.

**② Students are NOT allowed to work more than 28 hours per week.**

(8 hours per day and 40 hours per week during the designated school holidays)

③ Students are NOT allowed to engage in illegal part-time work or work at the adult entertainment services. (You are not allowed to engage in washing dishes or cleaning at such places.)

## (2) National Health Insurance

All Japanese citizens, permanent residents, or any non-Japanese residing in Japan longer than three months are required to enroll in health insurance plan and pay for the insurance. National Health Insurance is designed for individuals who are not eligible for any employment-based health insurance program. Under National Health Insurance plan, you only need to pay 30% of the total cost of case at clinics and hospitals.

## (3) Extension of Period of Stay

If the period of stay that is allowed at the time of first visa application expires while attending in GGA, you are NOT allowed to stay in Japan. Any stay after the expiration is punishable for illegal stay. In order to avoid it, you have to extend your period of stay before it expires. We will apply for the extension of period of stay at Immigration Services Agency on behalf of the student.

※ The Immigration Services Agency of Japan will do the application screening. Issuance of a visa is not guaranteed. We will not take full responsibility for the application failure.

## 9 | Dormitory

### <Dormitory fee>

	1 <sup>st</sup> Payment	2 <sup>nd</sup> Payment (6 months later)
Initial cost	1 00, 000JPY	
Dormitory fee (six months)	4 ppl 1 50, 000JPY 2 ppl 1 80, 000JPY	4 ppl 1 50, 000JPY 2 ppl 1 80, 000JPY

※The initial cost includes new futon, tableware, chopsticks, spoon, fork, etc.

※If you continue to live in the dormitory in the second year, please pay the dormitory fee every 6 months.

※If you wish to live alone in a 2-person room, it costs 50,000 yen/1month.

※If you wish to live with one other person in a 4-person room, it costs 50,000 yen/1month.

※If you wish to live alone in a 4-person room, it costs 100,000 yen/1month.

※Every month you need to pay the utility bill, internet usage fee, and garbage collection fee.

※Dormitory fees are subject to change due to social or economic circumstances.

### <Others>

- Each dormitory room has installed a refrigerator, microwave oven, rice cooker, washing machine, vacuum cleaner, air conditioner, Wi-Fi.
  - Students must live in the dormitory for one year. In the second year, they can choose to continue living or leave the dormitory.
- If you have relatives living near the school and would like to live with them, please contact us.
  - For the first year, you are not allowed to live with anyone other than your relatives. You must stay in the school dormitory.
  - Layout : 2bedroom + 1bathroom(capacity is 4 people) or 3bedroom + 1bathroom(capacity is 5 people)
